Hi there. I spoke to Elizabeth earlier. Slight change of plans. My colleague Byron Harris is coming over instead of me.

Subject: Seeking appointment to view a document

Hi Monica,

Austin Vela recommended I talk to you. I'm trying to schedule a time today to go over and look at the emergency response plan for the West Fertilizer and Adair Grain facilities in West, Tx. Call me at 214 773 2052.

Thanks very much,
JPT
